Fitzcharles & Williamson Earn National Recognition. . . .  
TWO URC STARS INDUCTED TO CLASS OF '08 NATIONAL SPRINT CAR HALL OF FAME

Two of the greatest names in URC history are now members of a very elite group.

Glenn Fitzcharles of Pottstown, PA and Kramer Williamson of Palmyra, PA are two of the twelve inductees going into the National Sprint Car Hall of Fame in 2008. The ceremony will take place on Saturday afternoon, May 31st at the Marion County Fairgrounds in Knoxville, Iowa. This is a very prestigious honor as Fitzcharles and Williamson will join a distinguished list of members that includes Tony Bettenhausen Sr., Johnnie Parsons Sr., Steve Kinser, Keith Kauffman, Sammy Sessions, Jack Hewitt, Brad Doty, Steve Smith, Earl Halaquist, Lealand McSpadden, Bobby Allan, Bobby Unser, Toby Tobias and Mario Andretti just to name a few.

Glenn Fitzcharles is URC's all time winningest driver with eight-one victories. Fitz is also a multi-time URC Champion, taking the title in 1987-88-89-90 and again in 1996. Along with an outstanding performance record, Glenn Fitzcharles is known equally for his professionalism and the strong connection he had with the fans, media members and fellow competitors. Without a doubt, Fitzcharles is URC's all time Champion on good will and just being one of the great guys of our sport.

Kramer Williamson, is a sixty-six time URC feature winner and is ranked third on the career win list, following Fitzcharles with eighty-one victories and Dave Kelly a winner of seventy-six URC checker flags. Kramer is a three time URC Champion taking the top accomplishment in 1991, 1992 and again in 1995. Kramer, much like Fitzcharles, has a big fan following because of his strong connection with the race fans. He is well known for driving his pink panther sprint car. Along with URC success, Kramer set many records in central Pennsylvania sprint car racing and was a World of Outlaws feature winner.

URC is pleased and honored that both Glenn Fitzcharles and Kramer Williamson are new members of the National Sprint Car Hall of Fame. We congratulate both drivers and extend our sincere appreciation to those who cast their vote in favor of these two outstanding performers in not only URC, but in sprint car racing in Pennsylvania. Now in our 61st season of presenting professional sprint car races, URC remains the Nation's Oldest Traveling Sprint Car Organization. In 2008, a great season of twenty-nine events will make-up the Rislone URC Sprint Series.

URC's mission statement for the coming year is. . . "URC. . . Taking 360 Sprint Car Racing To New Heights".

A \$45,000 plus cash point fund, a minimum of \$2,000 to win for all events and three special events paying in excess of \$3,000 is a snapshot of URC current and planned success for 2008 and beyond.
