News Flash Bar's Leaks Jr Dragster WCF – Brandon Seraphine

Well last minute plans has put the Bar's Leaks Jr dragster driven by Brandon Seraphine on the road for a two thousand mile round trip to Denver for the WCF. He got a call yesterday morning asking if he would be interested in driving a quick 32 car in Denver, and if he would they would take his Bar's Leaks car also so he could run it in the 14 year old bracket race later in the week. So with Mom, Dad and Sister Brenda at home cheering we would like you to join us with our cheer group. LOL. I will keep you updated during this time if good things happen.

Thanks for your support
Jeff Seraphine
