

FOR IMMEDIATE RELEASE-- - - THANK YOU

**SARAH BEARDSLEY GETS HER FIRST WIN OF THE SEASON AT MID MICHIGAN
MOTORPLEX**

After three tuff days of racing this season and doing darn near everything we could possible do wrong or have go wrong we had a great day! She drove great and had more desire and will to win then I have ever seen from her and all the hard work paid off. I don't know who was more proud of her win, her or me, but we lose together and we win together so it was a great day for Beardsley Racing.

Thanks for the support!

Brad Beardsley
