

Sarah & Grace Beardsley Race Report – January 2009

Sarah and Grace had their racecars in the Grand Rapids Auto-Rama Last week. Sarah won Best of Class and Grace won Outstanding in Class. Both girls had fun and handed out many Hero cards and signed autographs. I have not done a tally yet but it was somewhere between 1000 and 1500 each. We also let kids sit in the cars and I would guess I lifted at least 100 kids over the weekend, my back was feeling it by the time it was done. A guy in a booth close to us is a promoter for a local truck and tractor pulling series and he was amazed how big the draw was to the junior dragster. He also commented the girls and their cars were definitely the highlight to the kids. The local promoter loves to have the girls there and asked if we could do a show he does in the summer at the Gilmore Car Museum. I said as long as we were not racing.
