

Becca Anderson – Race Report  
June 18<sup>th</sup>, 2009

Mother Nature wins again!! We got rained out on lap 7 of the feature. Started 16th was up to 11th when a red flag came out and we didn't re-start due to rain. We will finish the feature when we return in July, then run a full show. We are off this weekend. We run the 26th at Williams Grove and then on the 27th at Delmar.
