May, 2009 Race Report

Good morning Shelly;

Not much to report from rainy Florida. Every weekend has been rained out. We tried several tracks this month but everyone was cancelled due to the weather. We haven't had rain in a long time so I shouldn't complain. Our lake is 5 feet below normal. The rain has raised it about ½ foot this month.

We have a couple of car shows to attend in June and hopefully we will be able to run this month.

Till next month, have a great day

Tom McLean
