

FOR IMMEDIATE RELEASE-- - - THANK YOU

RISLONE URC SPRINT SERIES HEADS TO BRIDGEPORT THIS SATURDAY,
RISLONE SPRINT NATIONALS & JACK GUNN MEMORIAL JUNE 5 & 6 WEEKEND

The weather for the weekend is looking promising and the Rislone URC Sprint Series is hopeful that racing will take place this Saturday night, when they make their first appearance of the year at the Bridgeport Speedway. The Rislone URC Sprint Series opener at Bridgeport was cancelled due to rain on April 11, moving the opener to the Delaware International Speedway to Saturday, April 18. JJ Grasso won that event, wheeling the nearly untouchable Palladino/BK Leasing #99. Since that event, URC experienced two more rainouts, so it's safe to say, the drivers of URC are ready for action.

With good weather on our side, the URC sprints will be at Bridgeport Speedway this weekend followed by a visit to the Delaware International Speedway on Saturday, May 30.

What could very well be the biggest dollar payout in URC history is set for Friday, June 5 and Saturday, June 6, all taking place in Central Pennsylvania. On Friday night, June 5, the fourth Annual Rislone Sprint Nationals will take to the historic Williams Grove Speedway. \$4,000 is on the line to the winner offering a hefty \$1,000 for tenth and \$300 just to take the green flag in the 25 lap run. A reminder to competitors that you're pre-entry is required. The entry fee is \$75 if you register on or before May 25. After that date and or race day, the entry fee will be \$100. Entry forms are available on the Competitors Page of the URC website (www.urcsprints.com). The following night, Saturday, June 6 is the fourth Annual Jack Gunn Memorial paying \$3,500 to win, plus a special \$1,000 bonus is available, posted by American Racer. So in total, a two win sweep of this weekend could earn one team \$8,500. More then \$40,000 in prize money is posted for the two race weekend.

The Rislone Sprint Nationals at Williams Grove Speedway began in 2006 when Pat Cannon won the inaugural running of the event. In 2007 Ed Aikin rallied home for the big win as Malibar, FL driver Kenny Adams took the top prize in 2008. The Jack Gunn Memorial at Selinsgrove Speedway began the same year with Blane Heimbach taking the win in 2006 and 2008. Dave Calaman won the event in 2007.

In 2009, URC has an ALL STAR cast chasing the \$10,000 season long Rislone Sprint Championship title. Six time Champion Curt Michael, JJ Grasso, Chad Layton, Michael Carber, Becca Anderson, Davey Sammons, Chris Coyle, Robbie Stillwaggon, Trevor Lewis, Kramer Williamson, Josh Weller, Chuck Palmucci and Scott Pursell are a few of the possible feature winners at any given URC event.
