

FOR IMMEDIATE RELEASE- - - THANK YOU

RAIN STOPS URC'S JACK GUNN MEMORIAL SATURDAY NIGHT AT SELINGSGROVE

Rain Stops URC's Jack Gun Memorial Saturday Night at Selingsgrove

Rain showers and the threat of severe weather in the Selingsgrove, PA vicinity, forced Selingsgrove Speedway Management to cancel their Saturday night racing program that would showcase the Rislone URC Sprints and the 358 Sprints in the fourth annual Jack Gunn Memorial Challenge event. This \$3,500 to win feature event will now take place on Saturday night, June 6, the night after the Rislone Nationals at the Williams Grove Speedway. A sweep in the both the Rislone Nationals and the Jack Gunn Memorial could earn one competitor a payoff in excess of \$8,500.

A field of more then fifty sprint cars were expected to take part in the Jack Gunn Memorial and prior to the rain, at least thirty sprint cars were staged throughout the Selingsgrove parking lot. This event, along with the Rislone Nationals always draws not only a large car count but plenty of quality.

Next weekend, the Rislone URC Sprint Series will try again, this time at the Bridgeport Speedway in Bridgeport, NJ on Saturday night, May 23rd. This event will mark the first race of the Fred's Trailer Parts New Series of 2009. One week later, the URC sprints will be in action at the Delaware International Speedway on Saturday night, May 30.

A reminder to all competitors that the entry form for the Friday night, June 5 Rislone Nationals is now posted on the Competitors Page of the URC website (www.urcsprints.com).
